UX designer and manager with 15+ years in B2B, B2C, and enterprise products. Lead teams of 1–5 designers and partner with PMs, engineers, and client leadership on healthcare, financial services, and more.

## PROFESSIONAL EXPERIENCE

**Associate Director, Experience Design**
*Merkle* *January 2024 – Present*

- As sole designer, prototyped an agentic AI tool for a B2C client that configures and verifies A/B tests before launch, using Figma Make and Claude Code; developers used the prototype code as their starting point
- Led 2 junior UX designers on Leading Hotels of the World's Travel Advisor portal and traveler site redesign; the portal launched in 2025
- Ran roadmapping and prioritization on a dual-track agile project; designed editorial marketing pages with Figma Make and Claude Design
- Co-facilitated pitch workshops with client and agency leadership, including the CMO; the team secured a $6M+ two-year contract covering the Travel Advisor portal and traveler site
- Led the offshore team of 3 designers in India on the Openbank.com redesign, launched October 2024; Santander reported more than $6B in deposits in Openbank's first year in the U.S.
- Led an offshore team of 3 designers in research, personas, and user journeys for Anthem's Carelon.com

**Associate Design Director**
*Dentsu Creative* *June 2022 – December 2023*

- Co-led the IMAX.com redesign with a visual designer, owning the sitemap, information architecture, and wireframes, including the ticketing flow; managed 1 junior UX designer; launched on schedule
- Designed future vision of American Express's business blog, Business Intel, formerly Business Class, and directed user testing with 22 users to validate design decisions

**Lead, Experience Design**
*mcgarrybowen* *June 2020 – May 2022*

- Identified opportunities with agency strategists through user research with American Express's B2B sales team; conceptual design sold a $200K+ project to redesign their daily sales tool
- Led its design through launch with 1 junior UX designer and 1 visual designer; usability tested with 16 users

**Lead, Experience Design**
*Isobar* *July 2016 – May 2020*

- Owned the design of IntegraMed's patient portal and co-designed the clinician portal; mentored 1 junior designer and took part in discovery research with healthcare professionals on a $2M+ account
- Established a design system for the U.S. Air Force, unifying components and patterns used across HR products
